

PHILIPS

CarePoint

7000 Personal Help Button

The 7000PHB button is small, lightweight, and waterproof. It provides maximum comfort and flexibility which encourages constant wear by residents.

**UL2560
CERTIFIED**

The 7000PHB attractive design reduces the stigma associated with wearing a Personal Help Button. 7000PHB can be worn as a pendant with an adjustable neck cord or wrist strap wear with a soft, adjustable elastic strap.

Features & Benefits
